HIGH SCHOOL

. . . how painful the remembrances!

Dedication

"It's not how well liked or how well known a person is in a community, it's how much good he does in that community." Spoken by the person to whom the 1968 PEAK is dedicated, these words reveal her philosophy of life. Those who seek her aid know that she will be willing and eager to help. Thus by living her philosophy daily, she not only has accomplished much but also has won the respect, admiration, and friendship of her colleagues and students. Therefore, with a great deal of pride and gratitude, we the Senior class of 1968 dedicate the PEAK to you, MRS. MARGARET G. PENCE.

Administration

"Correction does much, but encouragement does more."

Johann Wolfgang
Von Goethe

M. B. Weaver, Principal A.B: Fairmont State College; M.A: West Virginia University

Administration

A school is only as good as the Administration and Faculty within the school. Montevideo is fortunate in having both a good Administration and a qualified Faculty.

As Principal of Montevideo High School, M.B. Weaver performs his administrative duties with great dignity. These duties include directing the instructional program and the many extracurricular activities. We are fortunate in having Mr. Weaver as our principal.

Mr. Victor A. Cutright, Assistant Principal

Victor A. Cutright, our assistant principal, is our Intermediate School Supervisor and also has charge of attendance. Under his direction, our average monthy attendance ranks among the top of the local high schools.

Carolyn W. Jones, Secretary, performs the clerical duties for the school. These duties consist of bookkeeping for the many clubs in the school, assisting the teachers whenever possible, answering the phone, and dispensing aspirin and first aid supplies when needed. She offers her assistance willingly and eagerly and serves Montevideo well. Everyone truly appreciates everything that she does to help.

Mrs. Carolyn W. Jones, Secretary

Guidance Department

Mrs. Jean C. Madren
B.S., M.S.; Madison College

Our guidance department sees each student as a unique individual. An attempt is made in counseling sessions and in group work to help students to understand their interests, abilities, and limitations so that they will be able to make realistic educational and vocational decisions.

Other guidance services include administering the state testing program and other individual or group tests for special purposes; maintaining current books, pamphlets, filmstrips and tape recordings on career information; making available college and school catalogues and scholarship information; keeping a cumulative record folder for each student and furnishing recommendations and transcripts to businesses and colleges.

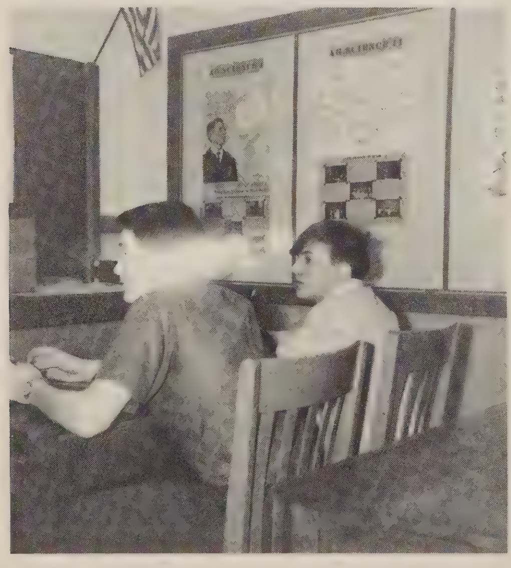
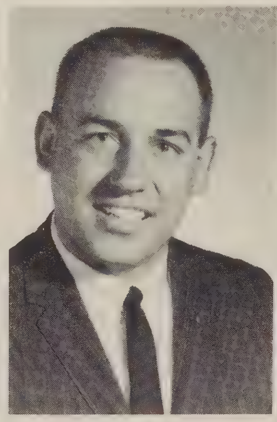
Mr. J. M. Kline, Jr.
Chairman
B.A.; Bridgewater; M.S.; V.P.I.

Agriculture Department

The Agriculture Department is set up to teach interested boys the proper operation of machinery and the total background necessary for successful farming today. As a result of this training, many valuable services are made available to the surrounding community.





Mr. Dwight W. Newman
B.S.; V.P.I.

Mr. Arthur W. Mitchell

Chairman
B.S: University of Maryland

Home Economics Department

The objectives of home economics are to apply the learning in the sciences and arts to the promotion of the well-being of individuals and of families, the improvement of homes, and the preservation of values significant in home life. The course offerings include the vocational and occupational areas designed to suit the needs of all the students.

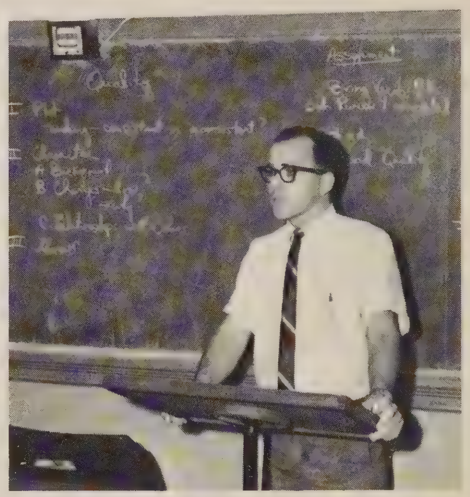
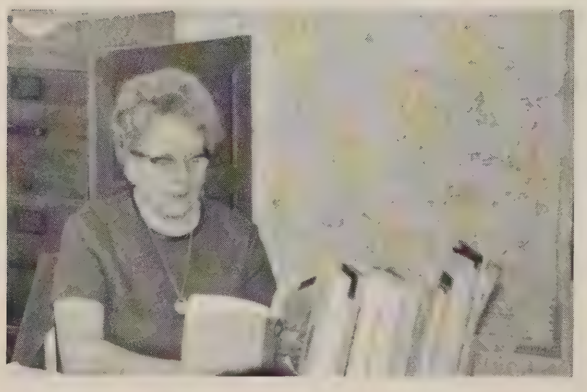
English Department

The principle objective of the English department is to help students to communicate precisely through the use of standard grammar and mechanical techniques in writing and speaking and to develop critical thinking through skills in reading, listening, and interpreting. These skills are basic to successful learning and successful living.



Miss Ellen Murdoch
B.A.: Bridgewater College

Mrs. Louise H. Sheetz
B.S.: Madison College



Mrs. Beulah E. Cobbs
B.A.: Longwood College

The Latin Department is under the direction of Mrs. Beulah Cobbs. First and second year students learn about Caesar and the fundamentals of grammar. Ambitious students, desiring to increase their knowledge still more, involve themselves in the third year study of Cicero and Ovid. This year all classes were enhanced by the first-hand experiences of Mrs. Cobbs, who visited Europe this past summer. Knowledge gained from this trip has helped her to provide the department with one of the best backgrounds ever.

Foreign Language Department

The French Department, designed to teach those desiring knowledge of French grammar and speech, has an added advantage in having a language lab. This lab enables students to listen and respond to French voices, speaking the language with ease and skill. This year fate handed Montevideo two French teachers. First semester was spent under the direction of Mrs. Evelyn VanPelt, who devoted her time and efforts to furthering student interest and knowledge in French. With the coming of the second semester, students found themselves being introduced to a new teacher, Mr. Carl Wenger. His interest and skill in the language enabled all to continue the study with little interruption and much advancement.

Music Department

The purpose of the music department at Montevideo is to instill a greater interest in the beauty of music, by presenting various programs during the year, and by participating in school and community functions. Various members of the bands and the concert choir, as well as the groups as a whole, have received outstanding awards and given Montevideo a music department for which it can be proud.

Library

The Montevideo High School now has two libraries. One is the main library in the high school and the other is the intermediate library in the intermediate school. Mrs. Williams, the head librarian, has two student librarians, Sue Harrison and Julie Molloy, who help her to make the library a better place to study. Both libraries have acquired many new and interesting books this year to help the students further their background through reference books and general reading.

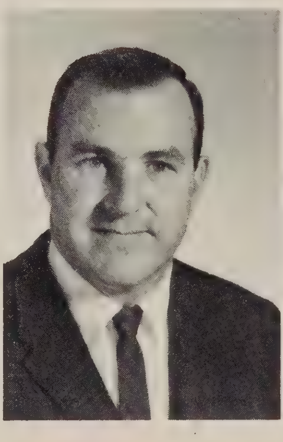
Social Science Department

The Social Science Department includes the subject fields of history, geography, economics and government. This department is primarily concerned with human society and the relationships which are involved in man's existence as a member of his community, state or nation.

Mr. Paul L. Rexrode
B.S.: Fairmont State College

Mr. Donald L. Dofflemyer
B.A.: Bridgewater College



To interrupt each day's academic work, students through their sophomore year are active in the Health and Physical Education Department. Studies are offered in the classroom to acquaint students with an extended health program and a driver's education course. Extra energy is exerted on the obstacle course. All of these activities provide students at Montevideo with an awareness and an alertness needed in all fields of study.

ART

Art

Art class stimulates the artistic interest and appreciation within the students. Every student is encouraged to express himself freely through the medias of pen and ink, charcoal, water colors, oil paintings, and sculpturing.

The boys in the industrial arts department work diligently to provide necessary equipment for school activities and classroom use. Among these are included voting booths for the S.C.A. elections and carved wooden figures representing the various sports activities of the school. In the process they gain valuable knowledge of skills in industry.

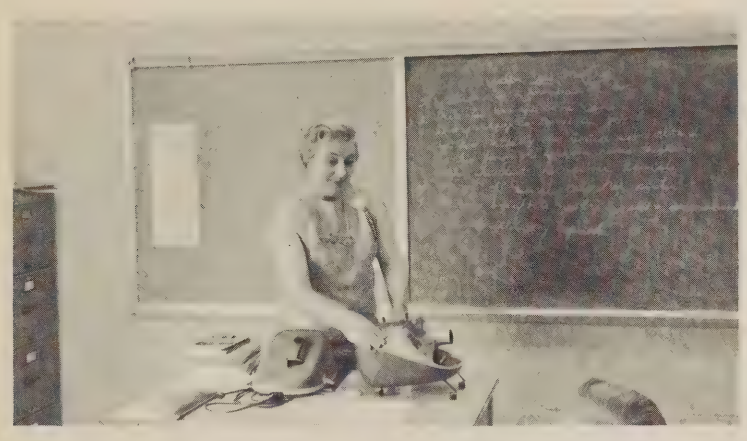
Corrective Reading



Mrs. Vera W. Mitchell
B.A: Bridgewater College

The Corrective Reading program is set up to improve the reading skills of the students who take the course. It is stressed that reading is an essential part of our daily life. It enables one to protect himself, acquire information quickly, secure enjoyment and becoming a better citizen in today's world. To achieve these goals, a special reading room has been added which contains up-to-date equipment and excellent reading material.

Special Education, under the direction of Mr. Johnson, is an integral part of our school system. These students receive guidance and training through their work in class which will be beneficial to them in later life.

The Senior Class of 1968

Advisors: Mrs. Sheetz, Mrs. Devier, Mr. Williams; Officers: June Garrison, Treasurer; Brenda Whitmore, Secretary; Norman Good, President; Bill Swink, Reporter; Benny Lawson, Vice President.

Being a senior means assuming newer and bigger responsibilities, having the whole school stand as you enter the auditorium for assemblies, sitting in select seats, writing themes and term papers, receiving and wearing class rings with pride, producing the senior play, taking college boards, measuring for caps and gowns, ordering graduation announcements, going first in the lunch line during the last six weeks of school, and representing Montevideo, as well as symbolizing to underclassmen years of hard work and much reward. But, most of all, being a senior means being together for the last time.

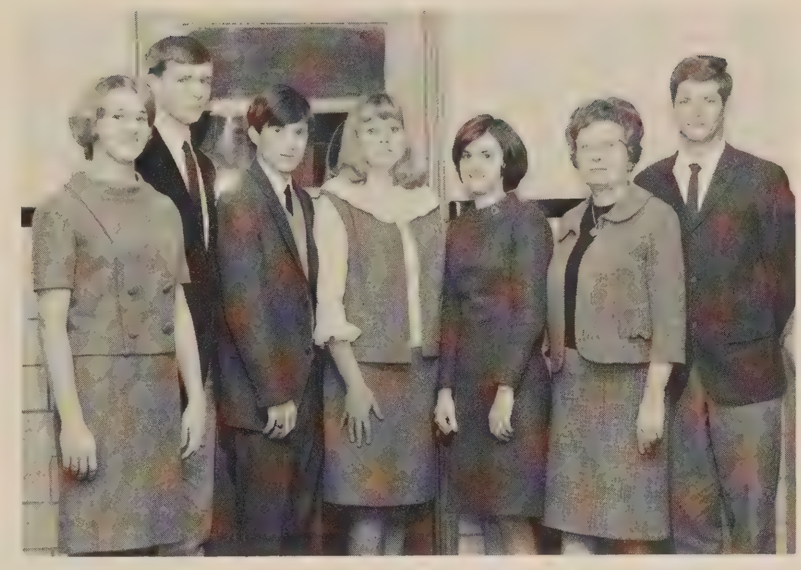
EXECUTIVE COMMITTEE: SEATED: Mr. Williams, Cathy Robinson, David Raynes, Lindy Edwards, Debbie Kyger, Mrs. Cobbs. STANDING: Betty Meyerhoeffer, Cherry Teets, Sharen Shickel, Kathy Jarrels, Ramona Leeth, Norman Good.

The S.C.A. is an organization of the student body of M.H.S. Representatives from each of the homerooms serve to bring suggestions of the students to the attention of the council.

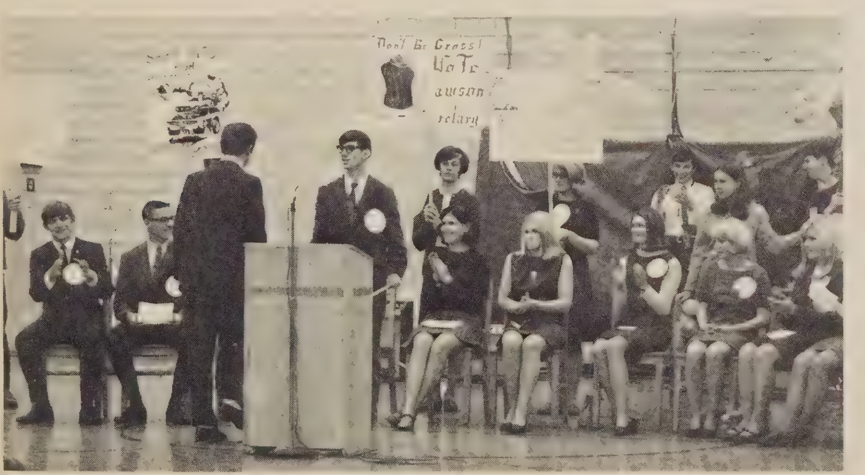
This year the S.C.A. has sponsored several projects, including the magazine campaign and the adoption of a foreign child. The S.C.A. also had charge of the homecoming activities, including the half-time show at the homecoming game and the dance.



OFFICERS: Cathy Robinson, Treasurer; David Raynes, Vice President; Lindon Edwards, President; Debbie Kyger, Secretary; Betty Meyerhoeffer, Reporter, Mrs. Cobbs and Mr. Williams, Advisors.

President Lindon Edwards addresses the student body at the election rally. This was only one of his many speeches to M.H.S. students.

Presidential candidate Glenn Meadows delivers the speech that helped him win the 1968 S.C.A. Elections.



All of the candidates and their managers worked hard as they campaigned throughout the week before the elections. Rally Day was the height of all the excitement until the winners were announced after the students voted. Win or Lose, just being a part of the festivities was well worth the experience.

OUR CHILD
LIN LEE
FROM TAIPEI
AGE 5

As a major project the S.C.A. "adopted" a foreign child. Our sponsored child is Lin Lee–Yu from Taipei, Taiwan and is 5 yrs. old. Through this project Montevideo hopes to make life happier for at least one needy child.

The S.C.A. promotes school spirit through a display on their bulletin board.

Honor Society

Membership in the National Honor Society is the highest honor that can be bestowed upon a student of Montevideo. To be qualified for membership, a student must maintain a 3.25 average throughout high school. In addition to maintaining this scholastic average, a student must also possess the qualities of character, leadership, and service. The purpose of the National Honor Society is not only to honor the students but also to serve the school.

Peak Staff

Editor-in-Chief Cherry Teets peers over a stack of annuals as she works diligently to make the 1968 PEAK a success. As the smile indicates, Cherry has constantly shown enthusiasm determination, and patience as she led the staff through a year of hard but fulfilling work.

Business Manager June Garrison displays the friendly smile which so quickly won her the financial support of neighboring businesses. Her knowledge of bookkeeping enabled her to keep organized records so important to a successful production. As Chief Solicitor, June helped make the 1968 PEAK possible.

Layout Editors Janice Rodeffer and Sharen Shickel put forth a great deal of their time to help with the production of THE PEAK. In addition to drawing layouts, they assisted with copy and typing. The hours were long, but they worked unselfishly and earnestly.

Assistant Business Manager Charlie Miller and Assistant Editor Sue Harrison discuss future plans with Sponsor Mr. McHenry.

Concert Choir

The Montevideo Concert Choir is composed of forty members. Our pianist this year is Becky Hooke, who is a great asset. The choir sings for various occasions and this year presented a Christmas and Spring Concert. They also worked with the Senior Band to present the musical "Happy will Tomorrow Be." Six girls were sent to Regional Chorus and the entire choir performed in the District Festival at Buffalo Gap High School. The choir is a special organization which brings out the vocal talents of students in the high school and is under the direction of Mr. Wayne L. Brown.

Diana Hensley was chosen for All-State Chorus.

Our band has brought fame and glory to Montevideo repeatedly during the year. In several parades this year we have won first place with the competing high school bands.

We have tried to promote school spirit by playing at each home football game and preparing a halftime show for entertainment. Various concerts were given during the year in addition to the participation in All State, District Festival, and Solo Festival.

We're very proud of our record this year and are striving to make it an even better one in the future years.

Speech and Creative Writing

In class students of Mrs. Pence practice voice projection, give speeches, and try their skill at creative writing. As a class they attended a drama at Bridgewater College, submitted articles to the M.H.S. literary booklet, and state booklet, took part in forensics, and attended the state forensic meet at the University of Virginia. The class is proud to announce that one of its members—Sharen Shickel—won first place in girls' public speaking at state.

The Montevideo FFA has had a very successful year. They have participated in many activities, carried out community service projects, and helped with school affairs.

The chapter consists of 101 members and has been led by a very efficient staff of officers and advisors.

Some of the community service projects they have carried out are: repairing toys for needy families at Christmas, taking soil samples of area farms, and cleaning the grounds of the East Rockingham Recreation area. We are proud of our FFA and the work that they do.

The Degree Team won first place in the Federation and then went on to State Competition to win second place there.

This year Montevideo boasted two winners in the Elk Leadership Awards Contest. Robert Bowman received not only a $150 bond for winning on the county level, but he also received top honors and $475 on the state level. Sharen Shickel received a $150 bond for winning on the state level. After graduation Robert plans to attend the University of Virginia and study aerospace engineering, and Sharen will study sociology at the College of William and Mary. All contestants were required to prepare a booklet consisting of newspaper articles, pictures, and letters of recommendation and character. The local sponsoring agent is the Harrisonburg Elks Lodge for all of Rockingham County.

Vocational Office Training

The Montevideo High School Vocational Office Training Program, new to Rockingham County, represents the coordination of classroom study and on-the-job training for seniors who have successfully completed courses in basic business and who are selected to further their learning through practical office experience. Vocational Office Training is based on the principle that one learns best to perform by actual contact with the job under supervision. The office work experience is considered to be an extension of the instruction received by the student in the classroom.

These students were charter VOT trainees of the Montevideo VOT Program and have also been a part of the twentieth anniversary celebration of VOT in Virginia this year.

Future Business Leaders of America

The newly reactivated Montevideo Chapter of Future Business Leaders of America with the motto "Service, Education, Progress" is for high school students studying business subjects. The Montevideo Chapter was originally chartered by the state in 1953. The orininal Chapter was active through out the school year 1960-61 and recognized as a part of the National FBLA Organization. The Montevideo Chapter of FBLA, therefore, is a part of the State and National organizations and is a part of the Madison Region of Virginia FBLA. The reactivation has been possible as a result of student interest and enthusiasm and the efforts of current senior business and VOT students.

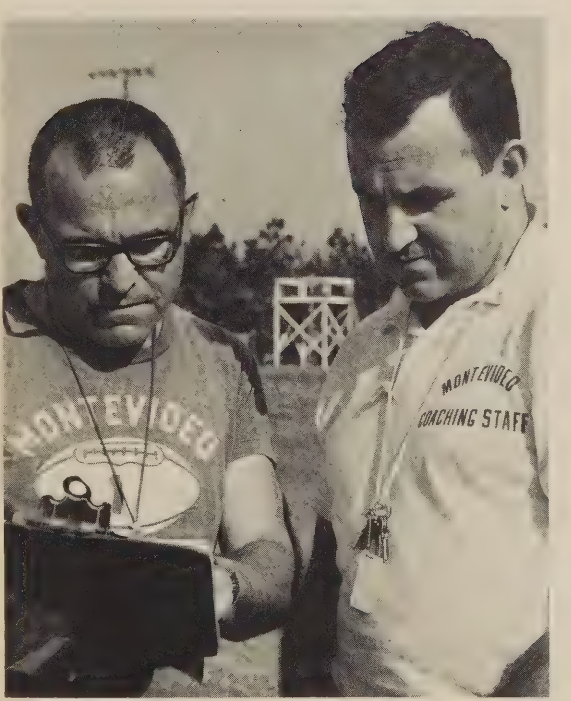
Varsity Track

The 1968 Maroon track squad distinguished itself in several ways this year. It compiled a season's record of defeating four teams and losing to two. It made a strong showing in the Rotary Relays with two first place winners, Terry Taylor and David Raynes. Taylor and Raynes emerged as champions in the district meet where the team took fourth place. Mike Armentrout, Glen Meadows, Charlie Brown and Booty Carrier also placed in their individual classes. The mile relay team finished fifth. This season has to be labeled as one of the finest for the Maroons.



Track Coaches Glick and Dofflemeyer study and evaluate the performances of their thinclads.

The culmination of a fine season came at the State Meet in Charlottesville. David Raynes finished third among 15 contestants in the long jump and Terry Taylor won the state discus throw with a near-record heave. With their aid Montevideo finished 8th in the state.

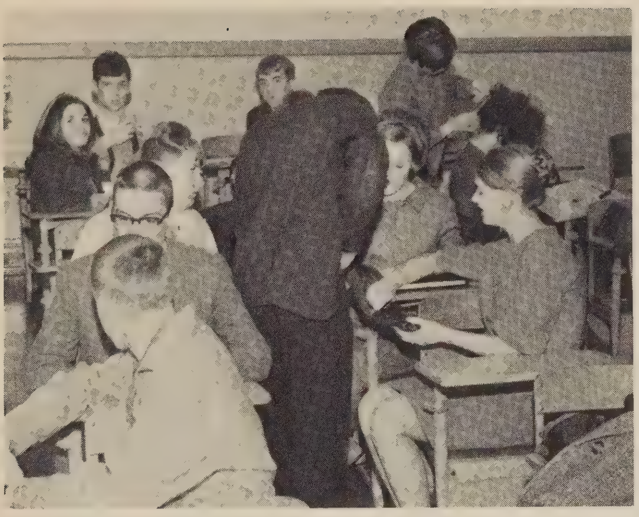
The Queen and her Court stand silently while the Senior Band plays the Montevideo School Song during the halftime festivities.

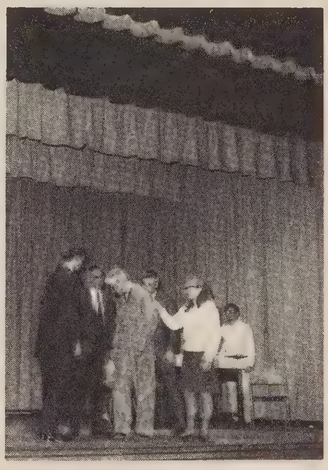
The Senior Play

The 1968 Senior class presented "The Worm Shall Squirm," under the direction of Mr. Roger Bordwine. This three-act comedy pictured the administration of a high school taken over by two "competent" teenagers, Leroy Dunigan and Buzzy Higgins. What chaos! The cast worked hard to make this play a tremendous success.



The Junior Play

"Incident at Carson's Corners," under the direction of Mr. David Lewis, was presented on March 8 and 9 in the high school auditorium. The plot, centered around a trial, contained flashbacks which helped to explain the incident. In the end, the guilty persons were found to include most of the cast. This was the first time that a serious drama was attempted at Montevideo.



The Honor Society Play

The Honor Society presented an original satire on world history written by the Scholarship Committee under the chairmanship of Robert Bowman. The play, directed by Miss Wright, was presented May 2, 1968. It was entitled "What the Newspapers Couldn't Print".

Clark Kent, a newspaper reporter, was accidentally thrown back in time where he viewed history as it actually happened, not as the newspapers printed it. He started in the Stone Age and learned how fire was discovered and ended up in the present time at a press conference for L.B.J.

The play was a success and help to contribute to the treasury the needed money to be used for Book Scholarships. These $50 scholarships are granted to worthy seniors.

Roman Circus

The Latin Club held its Circus May 16, 1968. Chariot races, gladitorial combat, dashes, and throwing events made the afternoon exciting. The climax was the crowning of Nancy Cougill as Miss Roma and Gary Sipe as Imperator. The rest of the court was as follows: Peggy Beck, Juno escorted by Charles Miller, Jupiter; Sharon Atkins, Minerva escorted by R. W. Martin, Mercury; Sally Loomis, Venus escorted by James Leeth, Mars; Beth Johnson, Flora escorted by Randy Gant, Apollo; Cynthia Cline, Ceres escorted by Paul Gooden, Neptune.

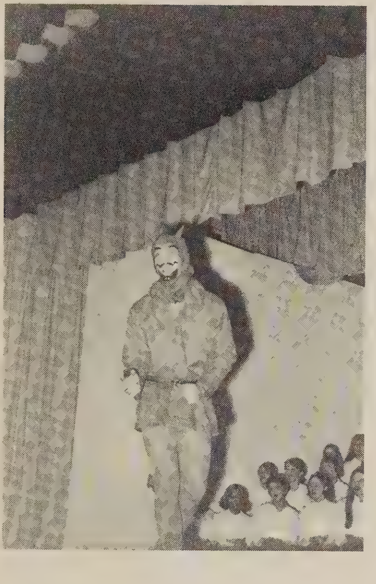
Spring Concert

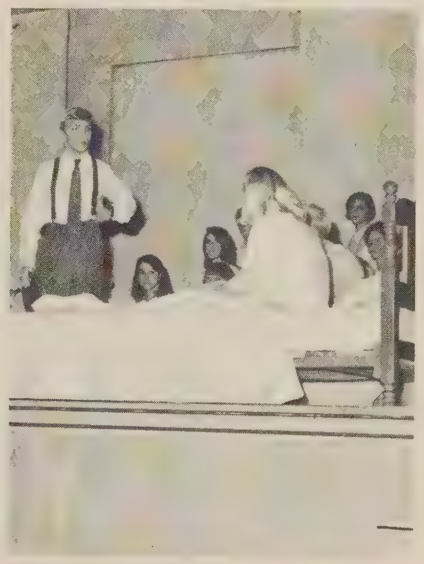
The annual Spring Concert was presented at 8:00 p.m. on May 10, 1968, in the auditorium. The Concert Choir, attired in multicolored evening gowns, presented such songs as "Born Free," "Yankee Doodle Boy," and "Agnus Dei," which was sung in Latin. The Eighth Grade Glee Club sang a medley of Gay ninety tunes and set the mood by wearing clothes of that period. The Senior Band then played selections from "My Fair Lady," and the Intermediate Band played "Days of Glory" and "Host of Freedom." Both bands combined to present the popular song "Love Is Blue."

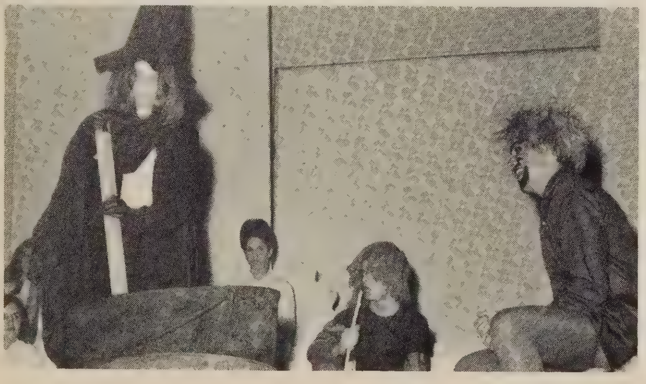
Musical

"Happy Will Tomorrow Be," under the direction of Mr. Smith and Mr. Brown, was the first musical ever presented at Montevideo. Each of the various divisions of the music department participated either as a group or individually. Because of its popularity and success hopes are high for more advanced musicals to be presented in the future.

"Happy Will Tomorrow Be"







Prom

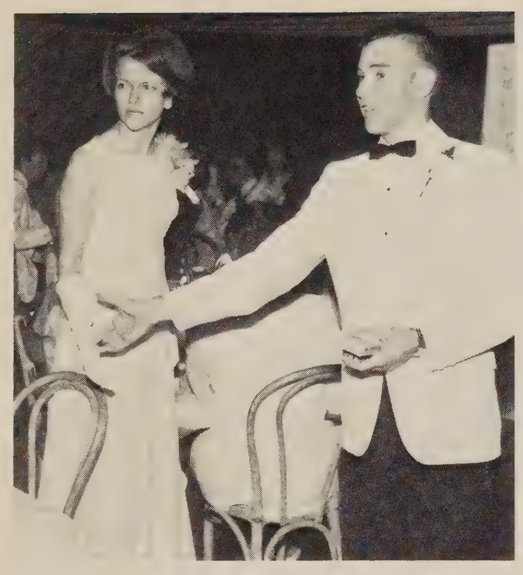
1968

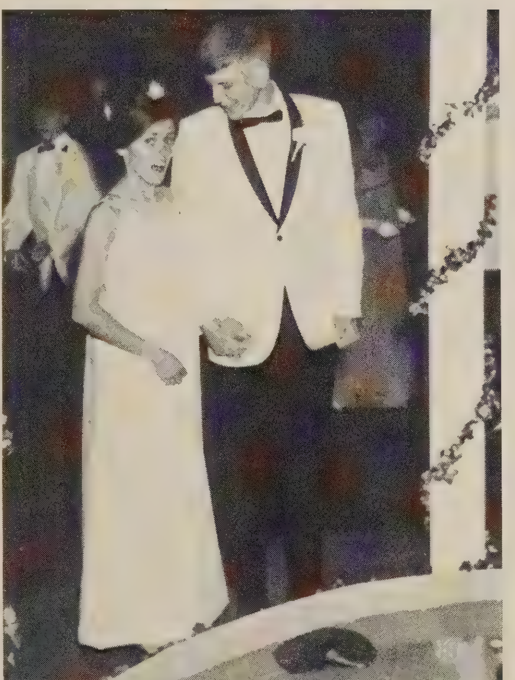
"An Evening in a Colonial Garden" was spent in an atmosphere of the old South, complete with a colonial mansion, flower-covered trellis, and antique white furniture. Other decorations consisted of a large fountain with lillies, shrubs and trees, and flower-decked colonades.

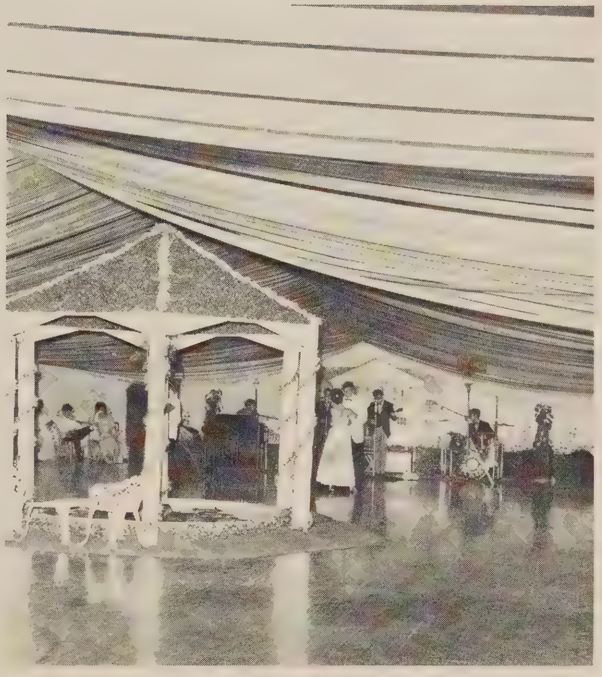
"Mod and the Rockers" provided the music and waiters and waitresses in colonial costumes served refreshments and passed out small confederate flags, top hats, and fans as favors.

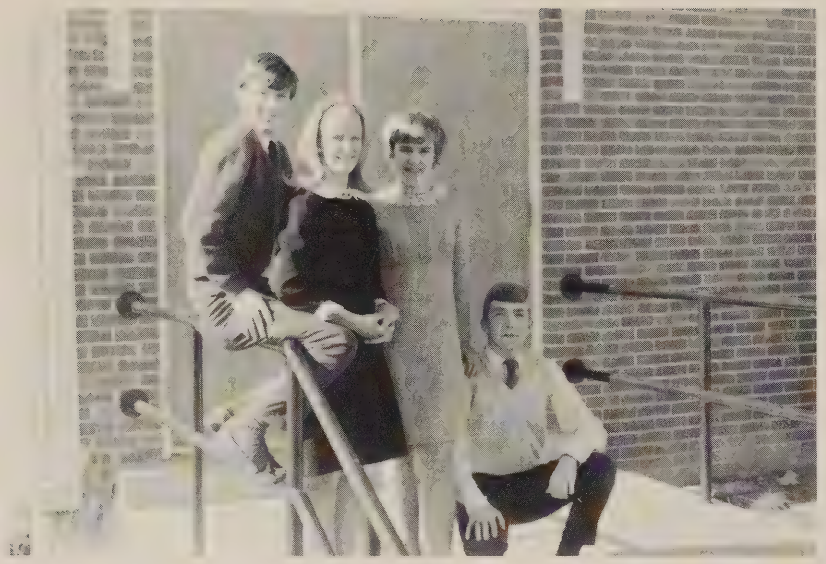
The evening was highlighted with the crowning of Queen Margaret Bulle, King Norman Good, Princess Kaye Wonderly, and Prince Booty Carrier.

The Juniors did a great job and should be congratulated for one of the best Proms ever presented at MHS.









Boys' and Girls' State

Each summer representatives from high schools all over Virginia meet for one week to study the fundamentals of Virginia government and to set up governments of their own. In the summer of 1967, Sharen Shickel and Janice Rodeffer attended Radford College for the twentieth annual Girls' State convention, and Lindon Edwards and Gary Sipe attended Boys' State at the College of William and Mary. This past summer, representatives to Williamburg were Billy Lam and Steve Claytor, and representatives to Radford were Janice Armentrout and Kaye Wonderly.
